

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

UNITED STATES OF AMERICA, )  
Plaintiff, ) CASE NO. CR22-215 JHC  
v. )  
MAAR TENG RAMBANG, )  
Defendant. ) DETENTION ORDER

Offenses charged:

1. Carjacking
2. Using a firearm during a crime of violence
3. Attempted robbery

Date of Detention Hearing: January 18, 2023

19 The Court, having conducted a detention hearing pursuant to 18 U.S.C. §3142(f) and  
20 based upon the factual findings and statement of reasons for detention hereafter set forth, finds  
21 that no condition or combination of conditions which defendant can meet will reasonably assure  
22 the appearance of defendant as required and the safety of other persons and the community.

01        FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

02        1.      Because the defendant is charged with a violation of 18 U.S.C. § 924(c) there is  
03 a rebuttable presumption against defendant as to both dangerousness and flight risk, under 18  
04 U.S.C. § 3142(e).

05        Defendant has a criminal history that includes multiple convictions for theft. In the  
06 instant case, it is alleged that he brandished a firearm on three occasions in one day in order to  
07 carjack victims, discharging the firearm on two occasions and injuring victims both times. It  
08 is also alleged that he attempted to elude police by engaging in a high-speed car chase at over  
09 100 miles per hour. It is alleged that he also entered a store and threatened victims in order to  
10 obtain oxycodone, and attempted to shoot his firearm, which jammed. Defendant has a  
11 significant history of drug addiction and family members have expressed concern regarding  
12 mental health issues.

13        2.      Defendant poses a risk of nonappearance based on reported substance abuse,  
14 indications of mental health issues, lack of employment and attempts to escape the police, both  
15 prior to the arrest and while in custody. Defendant poses a risk of danger based on the  
16 extremely violent nature of the instant offense, substance abuse and indications of mental health  
17 concerns.

18        3.      There does not appear to be any condition or combination of conditions that will  
19 reasonably assure the defendant's appearance at future Court hearings while addressing the  
20 danger to other persons or the community.

21 It is therefore ORDERED:

22 1. Defendant shall be detained pending trial, and committed to the custody of the Attorney

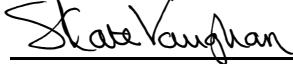

01 General for confinement in a correction facility separate, to the extent practicable, from  
02 persons awaiting or serving sentences or being held in custody pending appeal;

03 2. Defendant shall be afforded reasonable opportunity for private consultation with counsel;

04 3. On order of the United States or on request of an attorney for the Government, the person  
05 in charge of the corrections facility in which defendant is confined shall deliver the  
06 defendant to a United States Marshal for the purpose of an appearance in connection with a  
07 court proceeding; and

08 4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel for  
09 the defendant, to the United States Marshal, and to the United State Probation Services  
10 Officer.

11 DATED this 18<sup>th</sup> day of January, 2023.
